Darlington is a preparatory school that gives students the opportunity to discover their place in the global community. We do this by offering academic and extracurricular explorations personalized for each student, and led by teachers and staff who are exceptionally accessible and encouraging.

- 500-Acre Classroom
- Apple Distinguished School
- MakerSpaces
- Hands-on Learning
- Design Thinking and Robotics
- Exploratory
- Visual and Performing Arts
- Athletic Programs
- Advisory Program
- Leadership Opportunities
- Extended Care Program
- Technology Integration
- Accelerated Learning Program for Dyslexia available for grades 2-5
- Pre-K to 5 faculty are Orton-Gillingham trained

Darlington students graduate with the confidence, connections, and compassion they need to succeed in college and their career, and be meaningful contributors to the greater good.
