

# Finding the Right Formula

## TUITION ASSISTANCE OPTIONS

We believe that potential is worth the investment no matter the student's financial background, so we work with you to formulate the best way to finance your child's education. For academically qualified students who deeply desire a Darlington education, we look for ways to make it possible.

Darlington offers five options for families interested in tuition assistance, which benefit more than half of our students:

**Need-Based Financial Aid.** Using your completed School and Student Services (SSS) Parents' Financial Statement form, we evaluate the assistance we can offer based on available funds and demonstrated need.

**Merit Scholarships.** The generosity of alumni and friends funds merit scholarships awardable to new day school and domestic boarding applicants each year.

**Georgia GOAL Scholarships.** The Georgia GOAL Scholarship Program provides partial-tuition scholarships to Georgia students entering pre-K or kindergarten or who transfer to Darlington from a Georgia public school.

**Alumni Legacy Award.** Welcome back! If you are an alum considering Darlington for your child, please ask about our Alumni Legacy Award.

**Flexible Payment Plans.** Payment plan options are available to help you manage tuition on your schedule.
