

The Proof is in the Placement

COLLEGE GUIDANCE

Choosing the right college can be challenging. But at Darlington, we offer college guidance that helps you factor who you are into your college decision. We have a steady track record of 100% college acceptances to a diverse list of colleges and universities around the country and the world.

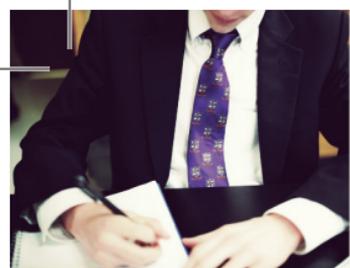

We're extremely proud of where our students go and how they get there. We have 10 dedicated college advisors with deep experience in the decision-making process and college evaluation applied through a best-fit philosophy. Students transition to their college advisor in the middle of their junior year. Together, they identify opportunities that reflect interests, abilities, and aspirations.

Our Recent Success

- Accepted by **180** institutions
- Matriculated to **70** college and universities
- Earned **\$9.4 million** in scholarships

The above figures represent five-year averages.

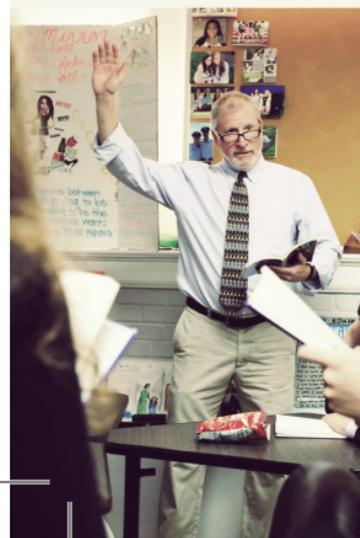

Activities that Contribute to College Decisions

Starting in ninth grade, you'll attend the Annual College Fair where you can connect with almost 200 institutions to understand the world of options and form relationships with key admission representatives.

Begin your senior year by focusing on where it'll end with our College Boot Camp. The first day of school for seniors is dedicated to immersion in the college application process. During this day-long workshop, admissions officials from notable colleges and universities guide you and help you get a head start on your college goals.
